

Trimble Tech Band

WELCOME TO THE
TRIMBLE TECH BAND

The Green Machine

Mr. Belk

Mr. John Gaal

Why Band?

- Goal: *Create well-rounded musicians and good people by fostering positive relationships and experiences*
- Improves Education
- Improves Character

The Green Machine

Benefits

- Know where your kids are; they're supervised; and they're with other great kids
- Inherent values are taught, learned, and reinforced

The Green Machine

Inherent Values

Time management

Teamwork - peer pressure to do well

Problem Solving

Relationship Skills - friends before starting high school

Family: Home-away-from home

Musicianship – the study of music positively impacts other academic pursuits

Schedule - What to Expect - Remainder of the Year

- May 16th registration day.
- May 22nd Spring Camp (8:00am-5:00pm)
 - We will be deciding who will be in the show in these rehearsals so they are important
- www.tthsband.org

BLACK SAILS

"Black Sails" tells the tale of life on the high seas, where pirates chase fortune, face danger, and carve out their destiny upon the open waters. Battles, treasures, and the call of adventure drive this journey into a world ruled by the black flag. "Black Sails" begins in open waters and concludes with a victory against an ominous threat of the deep. This show includes solos that can be rewritten for any instrument and percussion parts that can be modified to fit your ensemble. Featuring music from Pirates of the Caribbean, and "Outside" by Staind.

Repertoire:

Mvt. 1: Pirates of the Caribbean

Mvt. 2: Outside

Mvt. 3: From the Deep
